OpenEducation Week - March 2025

Open Education Week (OE Week) in 2025 will take place March 3–7.
It's a global event that celebrates open educational practices and resources.

What happens during OE Week?

- Educators organize events like workshops, webinars, discussions, and debates
- People share and learn about the latest achievements in open education
- People promote awareness of open education in their local networks and media

How can I participate?

- Attend an event
- Create and lead your own conversations
- Use the hashtag #OEWeek on social media
- Promote OE Week in your local networks and media
